PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON  
FAILURE TO RECEIVE NOTICE OF MISSING PARTS

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants recently became aware that the above-mentioned application was held abandoned for failure to respond to the Notice of Missing Parts. However, under 37 CFR 1.181(a) and MPEP 711.03(c)(I)(A), Applicants respectfully request that the holding of abandonment be withdrawn and a Notice of Missing Parts be remailed to the Applicants.

The undersigned practitioner attests that he never received the Notice of Missing Parts. The undersigned has conducted a search of the file jacket and docket records. Such search indicates that the Notice of Missing Parts was never received. A copy of the appropriate docket record, wherein the nonreceived Office communication would have been entered had it been received and docketed, is submitted herewith.

No fee is believed to be due in connection with this paper. However, the Commissioner is hereby authorized to charge any fees required with this communication for which full payment had not been tendered, to Deposit Account No. 50-3118.
